BeltLine Self-Guided Tour

20 September 2007

The BeltLine Partnership hosts free guided tours every Friday and Saturday morning. Tours leave from the Inman Park MARTA station, located at 1055 Dekalb Ave., NE, Atlanta, GA 30307. The route we take is detailed on the following pages. We encourage you to drive it yourself if you are not able to join one of our guided tours, or if you want to go back and see things again that you saw on the guided tour. We will be updating these directions in the coming months to incorporate much of the information we share on our guided tours.

If you would like to take a free guided tour, please make a reservation by emailing tours@beltlinepartnership.org or calling 404-446-4400.
